Katherine,

I look forward to working with you and Janet on the engagement.

When you have a moment, would you mind providing your **phone contact information**, just in case we are not able to reach Janet?

Thanks,

Janet,

Thank you for taking time to organize and facilitate today's Entrance Conference for our **EPA Toxic Chemicals Management engagement (105728)**. We look forward to working with you.

As discussed during the meeting, please provide the following information:

- EPA's December 2020 overall workforce plan, which describes the agency's workforce planning processes

- EPA's 56-page workforce analysis for FY 2015-2020 that determines the agency's workforce needs to implement TSCA *[Note: We already have copies of OPPT's staffing pattern and skills gap spreadsheets, which OPPT provided on September 20, 2021 as part of our recommendation follow-up efforts.]*
- A list of EPA meeting participants

We would appreciate receiving EPA's response by **April 5, 2022**; however, please let us know if this is not feasible. As we discussed during our subsequent phone call, we will be sure to send future interview and information requests to you (cc'ing Katherine Sleasman). Just let us know if you would prefer a different communication approach.

Respectfully,
Bill
